1201 Louisiana Street, Suite 3100, Houston, TX 77002

Full shipper name: _____
Address: _____
Contact person: _____
Phone number: _____
Email address: _____

Term: Shipper requests a primary contract term of ____ years.

Creditworthiness: The terms and conditions governing any creditworthiness requirements will be set forth in Shipper’s precedent agreement (PA) for firm transportation service under the Project. Please contact PGAP for a copy of the draft PA with the proposed credit terms. Draft PAs will be provided upon the mutual execution of a confidentially agreement with the prospective shipper.

In order for shippers to participate in this non-binding open season, this completed form should be received by PGAP no later than 4:00 p.m. CST on Friday, May 25, 2018 (or such later date as may be announced by PGAP).

Shipper understands and agrees that this request is a preliminary non-binding Solicitation that may be accepted or rejected by PGAP on a not-unduly discriminatory basis and any transport arrangements that result from this non-binding open season may be relied upon to negotiate and enter into a binding PA and a second binding open season may not be necessary or conducted.

This non-binding open season transportation request is hereby submitted by:

Date:

Total contract Maximum Daily Transportation Quantity (MDTQ): _____ MMBtu/d (based upon a heating value of 1000 BTU).

Within Table 1, please express the amount of capacity desired in terms of MMBtu/d for each Zone and each desired primary receipt and delivery point(s). For additional receipt or delivery points not identified as part of this Open Season, please specify the name or general description of the point, if it is a receipt or delivery and provide a latitude and longitude on the attached Table 2.

Table 1		
Zone	Primary receipt or delivery point - meter ¹	MDTQ

¹ The sum of the MDTQs per point at all receipt point(s) must equal the requested total contract MDQ and equal to the delivery point(s) as indicated above.

Table 2

Name or description	Receipt or Delivery	Latitude / Longitude
